

LET
ME
TELL
YOU
ABOUT
MY
DADDY

by Dorinda Ann Adams
Third Grade, 8 years old

Last Fourth of July, my Daddy took my two brothers and me camping. This was the first time that my brothers, Chuckie and Terry, and I had ever camped out, and we really enjoyed it. But Daddy seemed to want to just sit and not talk.

Later Mother told me that Daddy was still trying to decide whether to file as a candidate for The House of Delegates from Talbot County.

Ever since Daddy got out of the Army, he and Mommy have lived in Trappe. Daddy works on the farm and runs the tomato factory during the summer.

My brothers and I go to the Trappe Methodist Church here, with Daddy and Mommy. My Daddy has been the Church School Superintendent there, and now he is the Lay Leader at Church.

Once every month, Daddy goes to the meeting of The Trappe

GOING TO CHURCH

Volunteer Fire Company. Daddy has been active in the Fire Company for sixteen years and now he is the President of the Fire Company.

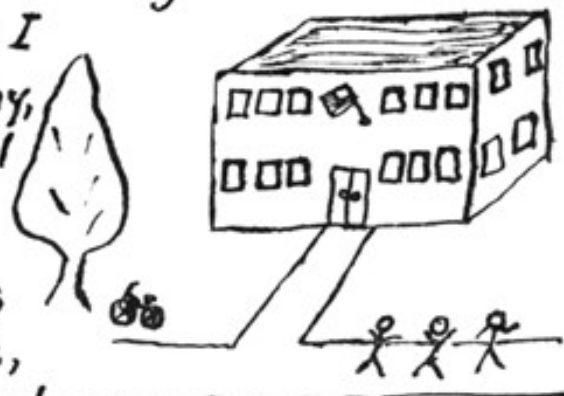

Daddy also belongs to the P.T.A. and the Talbot County Forestry Board, and he goes to all of their meetings.

Mommy says that she is the campaign manager for Daddy in his campaign to be elected to the House of Delegates.

After Daddy became a candidate for the House of Delegates, I asked him what I could do to help him win the election. He said that maybe I could draw some pictures and write about him so that all of the voters would know him better. Nobody knows as much about my Daddy as I do, unless it is Mommy, so please let me tell you a few of the things I know.

My daddy's name is Charles B. Adams, Jr., and when he was a boy he was in the Boy Scouts

and the 4H Club. He went to the Trappe Elementary School, and that is the same school that Chuckie and I go to now. He graduated from Easton High School in 1949, and then he graduated as a Mechanical Engineer from the University of Maryland in 1953.

Soon Daddy had to go in the Army and after being at Fort Gordon, Georgia, and Fort Devens, Massachusetts, he was sent overseas to Frankfurt, Germany.

DADDY SERVING IN THE ARMY

One of Daddy's four retired school teaching Aunts, Miss Polly Ornett, is Daddy's campaign treasure. Daddy is a Republican and Mommy is a Democrat, although I am not old enough to understand the difference. Daddy says that he does not like to see political signs on trees and telephone poles. Mommy and Daddy say that they hope to get to see and know all of the people in Talbot County

GOING TO MEETINGS

in this campaign. We have two telephone numbers at our house now, GR6-3460 and TA2-3576, and so I hope that you will call Daddy up and talk to him about this important election that is coming up on November 8th. Daddy ran for the House of Delegates four years ago and only lost by 32 votes. I
